Christmas Ornaments – Andy Warhol, 1950s

From the President

Following my appointment as President of the Bairnsdale and District Arts Society, it has been a bit of a whirlwind. Right off the bat we had the Art Show which was an enormous success, mainly due to the hard work put in by the Sub Committee very ably led by Jenni Staniforth. A huge thank you to Jenni and the Team that worked so hard with her.

As President I am very conscious of the very capable people before me who have held this role. There is a strong history in this Art Society and the reputation as a teaching organisation has filtered to other art groups that I have had the pleasure to meet and swap ideas with. Many groups are purely social, which there is absolutely nothing wrong with but what I love about our Art Society is the eagerness for members to want to learn how to improve their art and are not afraid to try new things. The Tutors who run classes each week really enjoy teaching and the number of members attending each week prove that many are just as eager to learn. The artwork at the recent Art Show was excellent and many people commented on the high quality of the art on display. It was so pleasing to see so many people sell paintings and congratulations to all the winners of the Awards. Very deserved.

I would like to take this opportunity to thank the Committee members who have committed to another year of dedication to the development of the Art Society.

As we move forward into the future, I would like to encourage all members to be as involved as possible in activities, classes, art shows, workshops, seminars, plein air groups etc. Members are always welcome to approach myself or any committee member with suggestions, comments or asking ways that they can be involved.

We look forward to this coming year with great anticipation.

Barbara Jones

OCTOBER PLEIN AIR REPORT

Last Saturday a small group of BADAS PA artists ventured to Dargo ostensibly to meet up with the Wilderness Group from Orbost who were staying at the units in Dargo.

Unfortunately we didn't quite catch up as they seemed to head one way and us the other, next time.

A good drive up the mountain got us into Dargo just after 10 where we met up with Libby and headed over the bridge for a couple of old buildings along probably the narrowest "road" in the Shire, especially when encountering a large tractor and gear.

A nice lunch at the pub then we dispersed about for the afternoon challenge.
A great place to paint, heaps of subjects including the prolific ute full of dogs.
Thanks to the Wilderness Group for "trying" to accommodate us.
And today it's pouring rain, how lucky we were.

John Griffiths, Plein Air Convenor
